Garden Contribution: *Kathy Howlett*

PLANT SALE—MAY 7, 2011

Hope everyone is busy dividing their perennials. Remember, this is where we make our profit so bring lots of different varieties of plants, ground cover, berries or trees. This week the weather promises to be much warmer so things will be popping out of the ground. If you need pots or tags, they are in the yellow box at the top of my driveway (right-hand side). Help yourself. Please have plants to me no later than **Wednesday, May 4th**, to give me time to price them for the sale. My house is yellow with white shutters (314 Salem Street-- 978-658-9063).

Friday, May 6, 9:00 a.m.: Members needed to pull plants from Shannon's Nursery and to load trucks; to put down tarp on floor of 4th of July Building, unload trucks; to provide coffee/home baked goods. *Note: If you are buying plants Friday, bring check or exact cash (no change available).*

Saturday, May 7th, 8:00 a.m.: Members needed to set up tent and area for plant sale; to carry plants from 4th of July Building to Common; to sell plants from 9:00 a.m. until noon; for cleanup from 11:30 a.m. to 12:30 p.m.

PLEASE KEEP YOUR CLUB ALIVE AND GROWING BY HELPING IN SOME SMALL WAY! *Bertha*
